## BUSINESS ANSWERS TO PRESSING B2B MATTERS

### ACCOUNTING

#### Tax Planning: A Year-Round Adventure

While taxes are a hot topic at the beginning and end of the year, here are some items to consider with your qualified CPA throughout the year.

**FIRST QUARTER:** Quarterly estimates... should you use the safe harbor method, which piggybacks off of last year's liability? Is your income predictable enough to base your estimates off of this year's tax? Is your business cyclical and therefore the annualized income method is best?

**SECOND QUARTER:** Are you missing out on tax credits and deductions, such as the R&D credit, domestic production activities deduction, enterprise zone credits, work opportunity tax credits, and energy efficiency incentives, just to name a few?

**THIRD QUARTER:** Do you have a solid retirement plan? Are you able to defer as much taxable income as possible? When did you last explore the many different options available?

**FOURTH QUARTER:** Should you buy a new piece of equipment now or wait until January? Do you need a large deduction or would it be best to spread the depreciation over a number of years in anticipation of your business (and taxes) growing?

#### New Mercer Commons Assisted Living is Expanding!

New Mercer Commons is happy to announce we are expanding! 40 more assisted living suites will be available in January 2016.

Prospective residents may choose *Luxury, Executive, or Royal Suites*. Our community will also enjoy the new fitness center, multi-media room, aquariums, and cook-to-order dining room.

The new addition is located in the beautiful Columbine Health System's park. Included in each resident's backyard is: a walking trail, sculptures, a butterfly garden, and outdoor entertainment.

The apartments are located minutes away from the Fort Collins Senior Center and the Lifestyle Centre health club. Transportation to both these locations and to medical appointments is included.

Residents at the facility are also provided with medication management, three meals a day, assistance with bathing, laundry, housekeeping, and more. With all of the recreation, care, and support, residents at our facility often say they wish they would have moved in a year sooner.

### HEALTH CARE

#### What are some tips to stay happy and healthy this winter?

As Coloradans, we're generally good about getting outside, staying active, and maintaining a healthy lifestyle. But as the temperatures drop and holidays approach, it's important to keep smart habits intact.

With less hours of sunshine, we absorb less vitamin D. Vitamin D is crucial to melatonin production, which helps with sleep and mood. Aim to exercise as much as possible during daylight – even small activities like walking in the morning or at lunch. You can also supplement with vitamin-rich foods like salmon, berries, and milk.

However, it can be difficult to eat well around the holidays. You can still celebrate being together with family and friends without centering it around fat-laden and calorie-dense dishes. Load up on fruits and veggies so the bulk of what you're consuming is nutritious.

Keep your mind and body strong by getting a good night's sleep, staying hydrated, washing hands, and remembering it's okay to say no. Take time for yourself – and for your health.

### INSURANCE

#### Bringing Fortune 500 Solutions to the Communities We Serve

The commercial insurance and employee benefits landscapes have changed significantly in recent years.

With rising cybercrime and continued complexities from the Affordable Care Act as examples, employers require access to more advanced resources - including ERISA attorneys, health analytics, and robust technology platforms, and experienced risk managers with multifaceted solutions for the evolving landscape.

In response, national firms increasingly target Northern Colorado's employers. Unfortunately, most attempt to serve from afar – not investing in local resources who understand the nuances of our NoCO communities.

HUB International Insurance Services will break that trend as the first global insurance consultant to open a Northern Colorado location. When construction concludes in early 2016, we'll be staffed with both commercial insurance and employee benefits experts who work and live in Northern Colorado. This investment differentiates HUB International from local and larger consulting firms and champions our unique business model – bringing Fortune 500 solutions and expertise to the communities we serve.

### REAL ESTATE

#### Home Prices Soar

What's the leading newsmaker for 2015 in real estate? Appreciation!

Prices are up, up, up. The research in the latest report from the Federal Housing Finance Authority (FHFA) shows what we know- it's good to own real estate in Northern Colorado!

FHFA tracks nearly 300 markets all over the country. Their latest report has four Colorado cities in their top 10 list. Fort Collins/Loveland sits at #9 with 12.87% appreciation and Greeley is at #10 with 12.72% appreciation. (Denver is #4, and Boulder is #7).

You may be thinking, can this last? Let's look at the long-term trend. Colorado prices have gone up 263% since 1991 while the national average is 122% over the same time period. So Colorado over the long term doubles the country as a whole.

### WEALTH MANAGEMENT

#### Financial Strategies for Women Investors

Today, women are playing an ever-increasing role in making important financial decisions – whether for themselves or for their families. While many of the basic rules of investing hold true for all investors, some life events affect women differently than men and can have an impact on investment decisions. Women might want to give some special consideration to longer life expectancy, being on their own and time spent out of the workforce for children or aging parents.

While these are just some of the many important considerations for women investors, there are also several simple steps women can take to come up with an effective financial strategy. Some ways women can prepare themselves for the future include looking for ways to learn about investments, seeking advice from financial professionals and making sure they have a plan and regularly review it.

# A POWERFUL RESOURCE FOR THE YEAR AHEAD

**W**onders never cease. We marvel at the entrepreneurial nature of the Boulder Valley/Northern Colorado economy. We are amazed at the culture of innovation that exists here. We are thankful for the economic diversity that sees various sectors thrive, even as others might struggle.

We are impressed at the existing companies that expand and the new companies that emerge in our particular area of Boulder, Broomfield, Larimer and Weld counties, from the Flatirons to Horsetooth Rock, from Big Thompson Canyon to the confluence of the Platte and Poudre rivers.

Finally, we are pleased to highlight many of the companies that drive our economy, in this, the Book of Lists, featuring the largest companies in dozens of ranked lists encompassing virtually every industry within the region.

Published by BizWest Media LLC as a special edition of our biweekly business journal, BizWest, the Book of Lists includes many lists with combined rankings for the four counties. In some cases, however, we've opted to publish separate lists for the Boulder Valley and Northern Colorado.

The Book of Lists compiles all of

the lists published in BizWest during 2015, plus a number of lists researched fresh for this publication. It's an extremely valuable tool for finding intelligence on customers, prospects or competitors.

Listings include addresses, phone numbers, key contacts, descriptions of products and services, revenues and employment.

And the print edition is just the beginning. Readers can also find the Book of Lists online, in a digital edition, where every page is reproduced on the Web. The entire Book of Lists is also available for download in Microsoft Excel format, via our website, [www.bizwest.com](http://www.bizwest.com).

Thank you to our advertisers, and to our researcher, Chad Collins for his hard work on this project. With any endeavor of this magnitude, errors and omissions are possible. If you'd like to submit a company or correction, or provide other feedback, please contact Chad at [ccollins@bizwestmedia.com](mailto:ccollins@bizwestmedia.com). And look for further enhancements to our lists — as well as some exciting new lists — in each edition of BizWest during 2016.

As you read through this edition of the Book of Lists, consider how you can use it to help grow your company in the year ahead. We think you'll find that it's, well ... wonderful.

**On the cover:** BizWest continues its tradition of featuring public art in the Boulder Valley and Northern Colorado on the cover of the Book of Lists. Artist Joe McGrane created *Water Crossings*, an interactive and interpretive plaza that highlights the historic crossings of the Poudre River and its tributaries. *Water Crossings*, part of the City of Fort Collins Art in Public Places Program, is located at the confluence of the new Soldier Creek floodway channel and the Poudre River, west of Shields Street, east of the new footbridge.

**Bravo! Entrepreneur  
Lifetime Achievement  
2010**

BizWest has been a leader for many years in recognizing the importance of leadership in small and emerging business. This is especially important in the Northern Colorado market where two thirds of the job market is supported by small and medium size business entrepreneurs.

I am truly honored to have received the 'Lifetime Achievement Award' for entrepreneurship. During my tenure at Home State Bank, I have had the pleasure of assisting start up ventures and watching the growth and prosperity of how these small businesses create a vibrant work force in our communities.

For us, the Bravo! Entrepreneur Award goes far beyond credit for anyone person. It is a powerful acknowledgement of every individual in our company, and a permanent symbol of the hard work delivered by each of our team members, day after day. We try to recognize great work internally, but it's even better to be honored by our community and our region. Thank you, BizWest!

— Kevin & Paul Brinkman  
Brinkman Partners

Our world is better today because extraordinary individuals have taken risks. They started with only an idea - and they grew it into something much larger. Something that's changed lives, provided jobs, generated growth, and most importantly, they've helped shape our community.

Bravo! Entrepreneur Awards recognizes those individuals who demonstrate the characteristics of success, and who have overcome obstacles to become one of our community's most respected business leaders. To learn more about Bravo! Entrepreneur Awards, please visit [www.bravoentrepreneur.com](http://www.bravoentrepreneur.com).

**1 in 6 people in Boulder and Broomfield Counties is hungry.**

56,000 people are food insecure in our community. 15,000 are children who receive free or reduced lunch.

It may be surprising to learn that even in our own vibrant community, people are in need.

*"We really appreciate the help. We are able to pay all of our bills on time because of the food we receive."*
