Weld Schools Credit Union

Steve Sanborn, President/CEO

"My thanks to Connecting Point for their excellent, prompt service over the years with a pleasant, well-trained staff on board. We've never been disappointed. How nice to have this great IT & phone service provider in our community rather than relying on out-of-town vendors. Thanks Connecting Point for being there!"

Brown & Brown Insurance

Greg Busch CPCU, Branch Manager:

"Connecting Point functions as our off-site IT staff. Our business is risk management and Connecting Point reduces our risk of security or virus attack, maximizing our up time and guaranteeing service to our clients."

Anderson Whitney PC

Vicki Sears, CPA, Shareholder

"On April 14th, the day before tax season ended, our servers started re-booting themselves. We called Connecting Point and they were onsite within thirty minutes. The problem was fixed promptly and we were able to finish up our processing. During tax season and throughout the year, Connecting Point is a part of the team here at Anderson Whitney PC."

Advantage Bank

Jeff Kincaid, President & Tom Chinnock, CEO

"Connecting Point has provided a wide variety of technical products and services to Advantage Bank. When we originally started our bank, we selected another technology vendor. However, after evaluating a number of technology providers we selected Connecting Point for our phone and data needs. They were highly recommended by others and have provided Advantage Bank complete peace of mind and professional service when it comes to our technology."
