"RUBY LAKE" GARFIELD COUNTY, CO PHOTOGRAPHER: MOREY MILBRADT

A light frost faded from the grass, and the elks' song filled the air. As neighbors gathered to drink coffee and watch the herd descend upon the lake, they continued a tradition observed by generations of neighbors before them. At Bank of Colorado, we believe community is more than the place people come from. It's where they come together. And our strength comes from being there. Get the security of banking with a trusted neighbor, knowing that we'll always stand beside you. Visit bankofcolorado.com

In Touch With Your Business ... In Touch With You.

Helping You Do What You Do Best - Even Better!

We're a community bank with community people and over 50 years of experience in Northern Colorado.

As a young business person my most influential mentor taught me what to look for in a bank. "Find a banker that can do more than just say yes or no to a loan request" he told me. "Find one that comes out to your place of enterprise, to better understand your business. One that shares his or her intellectual capital with you freely, one that can be a contributor to your success". At Western States Bank I found those type of bankers. Jonathan Harshaw
