PUBLISHER'S LETTER

'Book of Lists' provides answers for Boulder Valley data questions

What was the fastest-growing private company in 2008? What are the assets of the largest bank in the Boulder Valley? What's the largest private health club?

Answers to those and thousands of other questions await you in this, the 2009 Book of Lists, prepared by the staff of the Boulder County Business Report.

We're very proud of this annual publication, which features 105 lists and more than 2,600 companies. Book of Lists data include key contacts, address, phone, fax, products & services, and much more information. Lists are organized by industry category.

I want to thank our research director, Beth Edwards, and researchers Carol Maskus, Pam Martin and Susan Church for their hard work on these lists throughout the year. Thanks also to the editorial, production, accounting and sales staffs for their efforts to make this publication possible.

This edition once again features our Community Calendar, sponsored by Guaranty Bank and Trust Co. This calendar includes hundreds of events involving the nonprofit sector throughout 2009. If you would like to have your events included

**PUBLISHER'S
NOTEBOOK**

in a future calendar, or featured in our newspaper or online, please submit your events via our Web site at www.bcbr.com.

We're grateful to Guaranty Bank, as well as our Book of Lists cover sponsors, Mile High Banks, VectraBank, the Colorado Group, FlatIrons Bank and American National Bank. Their support of the Book of Lists allows us to bring you the single-best resource for business information in Boulder and Broomfield counties.

Finally, I'd like to thank James "Bo" Insogna for allowing us to use his electrifying image of the Flatirons for our Book of Lists cover. You can reach Bo at 303-834-2524 or at www.TheLightningMan.com.

Most lists were published previously in the Boulder County Business Report, but some are new for the Book of Lists. Some lists previously published have been updated with new contact information. Updates due to errors or omissions have also been made.

If you have other additions or corrections that you would like to submit, please contact Beth Edwards at bedwards@bcbr.com, or call her at 303-440-4950.

Oh, and the fastest-growing private company? It was Pangea Organics, which grew by 614 percent, to top our list of the Mercury 100 Fastest-Growing Private Companies (\$2 million or more in revenues) on page 76. To answer the other questions, start reading!

WELLS
FARGO

STRENGTH AND STABILITY. IMPORTANT YESTERDAY, EVEN MORE IMPORTANT TODAY.

IN THESE DRAMATIC TIMES, IT'S EASY FOR A FINANCIAL INSTITUTION TO SAY THEY CAN OFFER PEACE OF MIND. IT'S ENTIRELY DIFFERENT TO BE ABLE TO PROVE IT. SINCE 1852, PEOPLE DEPENDED ON A WELLS FARGO STAGECOACH TO PROTECT AND DELIVER THEIR VALUABLES. IN DOING SO, THEY RELIED ON US TO PROVIDE PEACE OF MIND FOR THEMSELVES AND FUTURE GENERATIONS. WE STILL REMAIN THAT TRUSTED SOURCE. A TRUST THAT HAS BEEN EARNED WITH A PRINCIPLED APPROACH, A FOCUS ON THE NEEDS OF OUR CLIENTS, AND A PRUDENT PHILOSOPHY. IN FACT, *BARRON'S* ONCE AGAIN NAMED US ONE OF THE WORLD'S MOST RESPECTED COMPANIES.

WHICH IS WHY, FOR GENERATIONS, INDIVIDUALS AND FAMILIES HAVE SOUGHT OUR HELP TO BUILD, MANAGE, PRESERVE AND TRANSFER THEIR WEALTH. LET THE STRENGTH AND STABILITY OF WELLS FARGO OFFER YOU PEACE OF MIND.

TALK WITH WELLS FARGO PRIVATE BANK TODAY.

PICK WHERE THE FRUIT IS...

GOOD ADVICE FOR HARVESTING (AND ADVERTISING)

Community Calendar

The Boulder County Business Report, with sponsorship by Guaranty Bank & Trust, is proud to present the third annual Community Calendar.

Our annual Community Calendar, listing hundreds of the Boulder Valley's nonprofit fundraising and major business events, is designed to give residents and business leaders a single resource calendar to help plan their business and volunteer event activities in Boulder and Broomfield counties with as few conflicts as possible.

All appropriate listings available at press time were included. Our listings for this calendar were received in a survey of area nonprofits and business organizations. CU home football games also were included for event planners.

Nonprofits and business organizations are asked to add additional events and specific event times as they are scheduled throughout the year to the Business Report's online calendar at www.BCBR.com. Community Calendar additions and events for the 2009 calendar also can be e-mailed to research@bcbr.com.

The events in the Community Calendar include one or more of the following:

1. Benefit a nonprofit organization.
2. Attract more than 50 for nonprofit event.
3. Attract more than 100 for business event.
4. Have ticket price of \$40 or more.

BEEN THERE. WON THAT.

A RECORD OF LITIGATION SUCCESS FROM COAST TO COAST.

KANSAS

Doll v. Chicago Title Successfully defeated a class certification motion in a proposed 18-state class action involving residential real estate closings. Plaintiffs alleged they were injured by the defendant over-collecting estimated recording fees and failing to refund \$6.

KENTUCKY

Lexicon v. Safeco Created new law in the 6th Circuit Court of Appeals, which had previously held that a subcontractor cannot recover delay damages on payment bonds. Following summary judgment in district court against our client, we appealed to the 6th Circuit, which reversed the old law and the summary judgment.

MISSOURI

Successfully defended a large pork producer in an odor nuisance case. Plaintiffs claimed they were damaged by odor from the 80,000 hogs, the waste lagoons, and the application of manure-based fertilizer at our client's neighboring farm. They sought damages of \$2.5 million, but we obtained a total defense verdict.

NEW HAMPSHIRE

Successfully defended a national retailer and manufacturer in a massive patent case. The plaintiff sought millions in damages. Litigation resulted in multiple favorable Markman rulings and, ultimately, summary judgment on all claims.

NEVADA

Obtained a dismissal of a complex Indian land claim involving much of modern-day Nevada for a major railway transportation company.

MULTISTATE

Successfully resolved a lawsuit regarding faulty fireproofing installed in 20 of our client's facilities nationwide. Lawsuits were filed in 10 states against 15 parties. The client recovered more than \$22 million from the defendants and their insurance company.

“When your husband is off consulting in LA while you’re in Southeast Asia tracking down antique beads for your jewelry business, keeping up with a 3,300-sq-ft home in the suburbs gets a little insane. Now that we’re at The Peloton, there’s no lawn to mow and no snow to shovel. So we can take off to wherever at a moment’s notice. But with all the amenities we have right here, we’ve discovered that our favorite place to be is home.”
